DEDICATION

A familiar face around campus is that of Sue Saye, Assistant Professor of Business Administration. Born in Killeen, Texas, she attended University of Oklahoma, and Oklahoma State University. In her years as an educator she has been a member of the faculties of University of Akron, Oklahoma State, and Oklahoma City College.

She has had such honors bestowed upon her as "Teacher of the Year" in 1957, by the South West Teachers Association, and Vice-President of the National Business Teachers Association.

Arriving in 1965, she has made an everlasting impression upon the Campus of Curry College. We are proud and honored that this Yearbook be dedicated to her.

IN MEMORIAM

LOUIS LEVIN
1950-1968

It is with deep regret that we mourn the passing of our fellow student, Louis Levin. Those of us who knew Louis will remember his jovial manner and enduring nature. The tragedy of his death shall forever remain vivid in the memories of all.

To his loving parents, Mr. and Mrs. William Levin, we extend our most heartfelt sympathy.

HOMECOMING

After the unsuccessful football game, the center of attraction turned to Chestnut Hill Country Club.

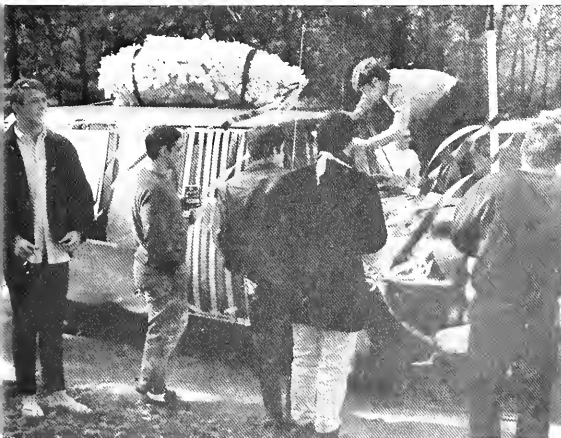

Here the Alumni held their annual dinner. This was followed by entertainment by The Buckingham.

The voting which was held earlier in the week saw a Sophomore from Rochester, New York, Miss Joyce Margolis, elected the Queen of the gala weekend. She was crowned by last year's reigning Queen Sandy Farrington.

Unlike 1967, the Curry Puritans were able to contain a tough Lesley College team. Though the start of the game saw the Curry squad fall behind by 6 points, the hard running back by the name of Sue Murphy was able to even the score before the close of the quarter. After that there was just no stopping the Curry girls.

Much credit must be given to Night Train Koslowski, the quarterback. Many times during the game she came up with the big play, mainly to Mammouth Murphy.

The defense was able to withstand the tough Lesley threat to win by a 16-6 margin.

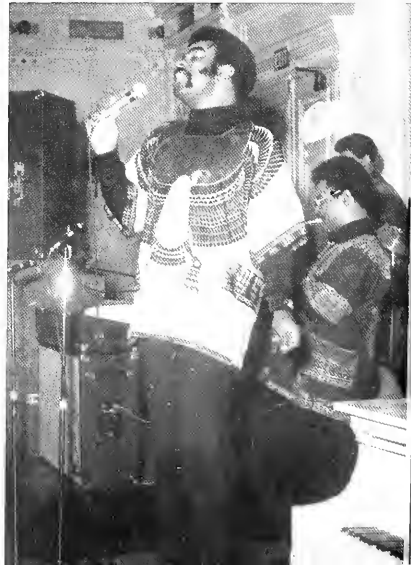

WINTER

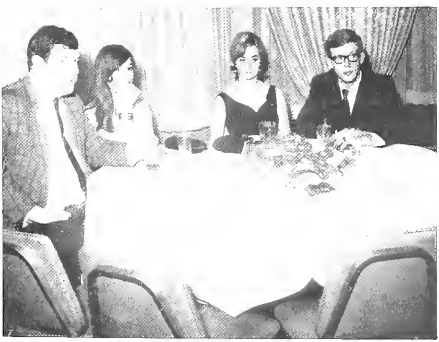

WEEKEND

SPRING WEEKEND — 1968

The gala event was held at 1200 Beacon Street where everyone danced to the fabulous sound of The Magnificent Men. The renowned Tuck Aliciene and the gracious Miss Dellie Lorenzo were the host and hostess for the evening.

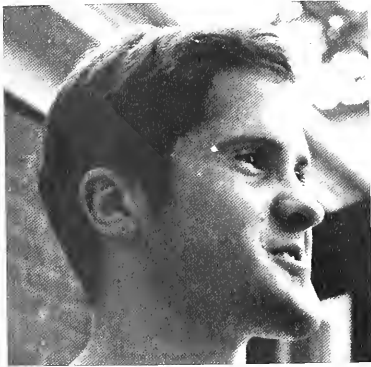

The results of the voting for one of the eight campus beauties running for Spring Weekend Queen were announced later on in the evening.

The lovely Miss Nancy Materne, the reigning queen, crowned Miss Kathy Cogna, and with a radiant smile Kathy accepted the honor. Miss Cogna's court included Misses Bootsie Kranin and Sue Slutsky.

RADIO STATION — WVAC

Radio Station WVAC, under the direction of Mr. Roger Allen Bump, and some very interested students is now well under way. From a very small start they have been able to attract a large listening audience among the campus population.

Though their format is somewhat different they can say that they appeal to just about everyone on campus.

The original call letters of the station were WCUR, fm, they were forced to change their broadcast procedures in order to obtain a permit to broadcast.

SPORTS

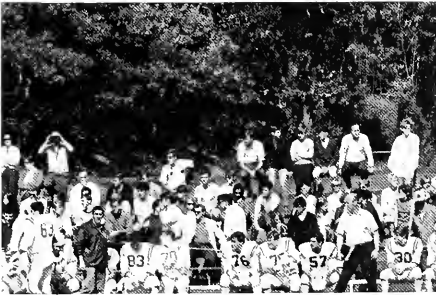

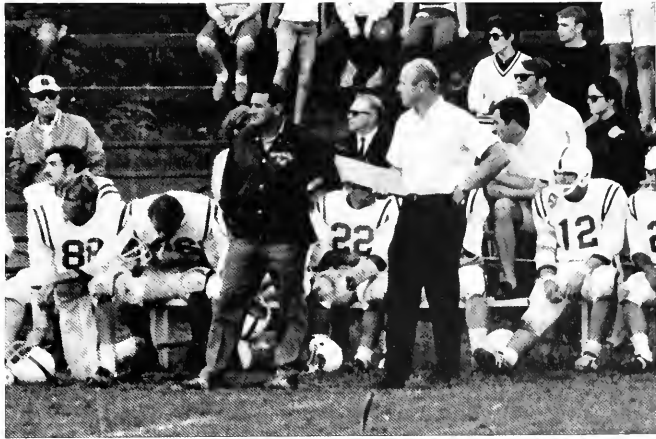

FOOTBALL

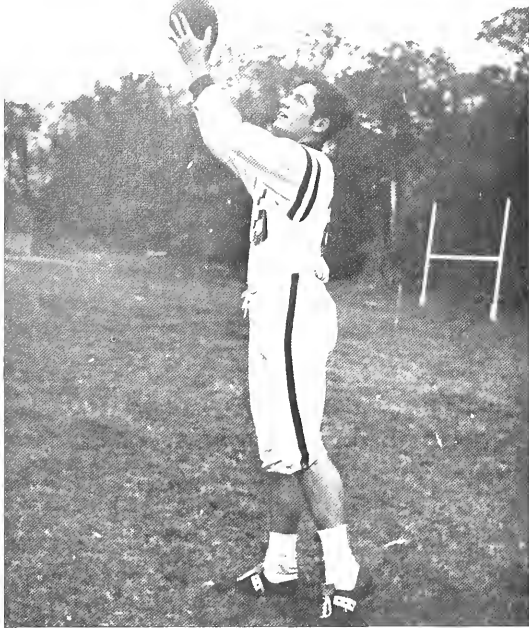

The 1968 Curry Football Season was one which showed the outright determination of the athletes that participated in the sport. Through some sort of a miracle Coach Lasse managed to put together a team that could stand the test. Everytime it seemed as though he had the right combination an injury would cancel it out.

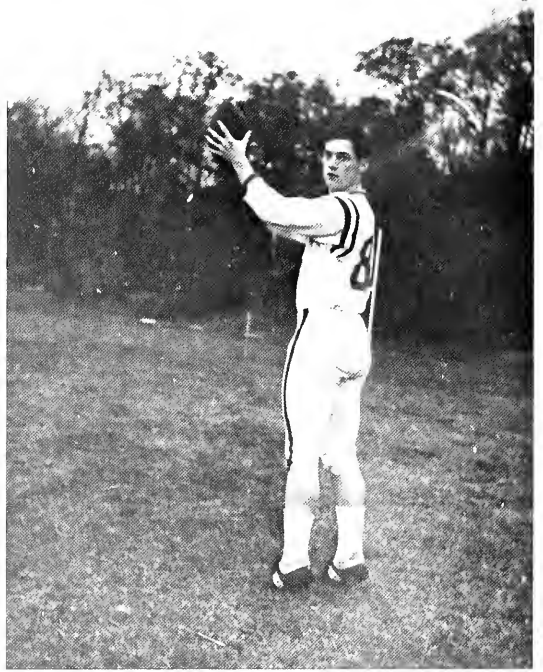

It would be wrong to say that all of the problems were with injuries. Most of the squad were just freshmen. This makes a tremendous difference as far as getting some sort of smooth working organization. With the leadership of veterans such as Mike Sansone, Steve Baldwin, Doug Fritz and Michael Barber, the Curry squad was able to pull itself together and drive that much harder.

Though the teams 1-7 record does not seem very impressive, there was more than one team that said that the Colonels were one of the hardest hitting teams they have faced. This team, though not experienced this year will be back next year, a year older and a year harder to beat.

BASKETBALL

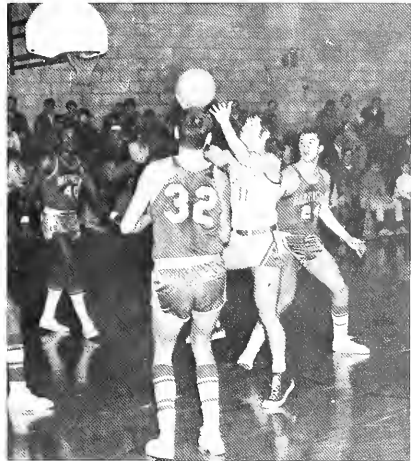

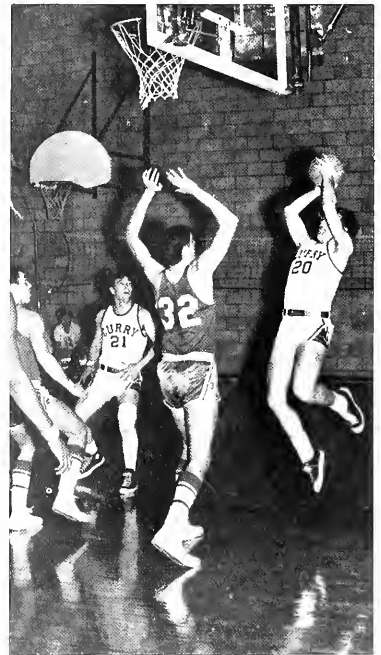

For the first time in a good many years, The 1968-69 Colonel Basketball team was one which went out on the court with a winning attitude. This came about through the inspiration of Coach Donovan. Realizing that his team was at a great disadvantage, he came up with many tactics which gave the opposition a great deal of trouble.

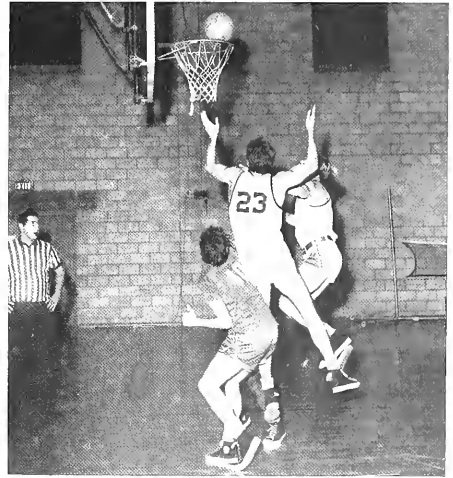

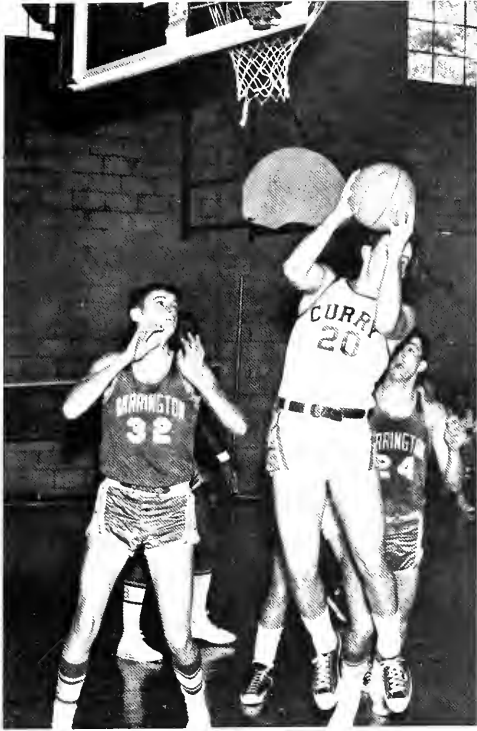

Though the team could only manage a losing season, anyone who attended could see clearly that with another year's experience this would be a team to contend with.

FROM THE DESK OF THE EDITOR

As I sit here pondering the fate of this year's yearbook, I can only think about the criticism and comments which will follow in the weeks ahead. My Staff and myself have worked many diligent hours preparing what we feel is a most impressive Yearbook. All in all there will be those who feel that it is nothing more than a picture book. I tend to disagree with this statement wholeheartedly.

A yearbook is meant to tell a story, the story of one's college days. Over the past five and a half months we have tried to cover every event, or happening which could mean something to the people of this campus. In my possession now there are enough pictures to fill two yearbooks. It is impossible to put all these pictures in one book, so comes our first decision, that being what will be eliminated.

When people speak out against the Curryer I can only sit back and laugh, the reason for that being that the ones who open their mouths are those who did not show up for senior pictures, and probably the biggest joke is that out of the 770 students enrolled here, only 15 people were interested enough to give their time to make the book a success.

Plenty of satisfaction can be derived from having your name placed on the cover of the yearbook. What it doesn't show, are the many hours, the ever present pressure, and the overall sacrifice which must be made. My personal feelings, which I share with the staff, is that this yearbook is one which we all can be proud.

I would like to extend my personal thanks to all those who contributed to the book's completion. Also to Taylor Publishing Company who did such a fine job in the printing of this book.
